Are You Using Nitragin?

Your neighbors are using it and they say it increases the yield of the crop to which it is applied, from 25 to 100 per cent. Besides this it causes that crop to store in each acre of ground from 100 to 200 pounds of pure nitrogen for the benefit of the next crop. Nitrogen in commercial fertilizers costs YOU about 20 cents a pound. Use Nitragin and you get it FREE from the air. Apply it to all your Peas, Beans and other pod bearing or legume crops. Can you afford to pay 20 cents a pound for Nitrogen when your neighbor gets it FREE?

Full information gladly given.

NEWS FROM JONES.

Jones, March 23.—Though somewhat late, we wish to add our tribute of respect to the memory of our lamented friend Dr. L. L. Connor. We never knew a more perfect gentleman. He was an affectionate husband, indulgent father, warm hearted friend, staunch patriot, eminent physician, and honorable gentleman. Every movement that had for its object the promotion of the moral, educational, social and political welfare of his town invariably received his warm and hearty support. He was our warm friend and we tenderly sympathize with the bereaved family.

It was our good fortune to attend the Laurens Missionary meeting at Walnut Grove on 3rd Sunday and hear able addresses by Hon. N. J. Gaines and Messrs. H. L. Watson and Dowling of Greenwood.

Mr. Jas. McCombs our very efficient supervisor was in our midst recently looking after our roads.

Beacham and Riley's store was recently robbed. Unable to determine amount of loss and no clue as to the thief.

Mr. Wesley Moorison, of Anderson, visited his parents, Hon. and Mrs. J. Frank Morrison last week.

Mr. and Mrs. J. C. Mabry visited relatives in Laurens last week.

There will be a regular communication of Bremerton Lodge No. 183, A. F. M. at Daniel's Hall on Saturday the 28th at 2 p. m. There will be work in the F. C. and M. M. degrees. Members are urged to attend and visiting brethren will be cordially welcomed.

Mr. Samuel Raser of Mountville, was here last week looking after his farm interests.

The school had a very interesting "spelling match" last Friday afternoon and those standing last were Miss Myrtle Dunlap and Mr. Jones Graham.

Prof. J. C. Cork, of Rock Hill, accompanied by his brother, Jas. Cork, paid us a short but highly appreciated call a few days ago.

Our teacher, Mrs. G. L. Graham attended the able address of Dr. Snyder. She also attended the State teacher's meeting in Spartanburg and had a very pleasant and profitable visit.

The friends of Mr. Curtis Hitch will be pained to learn that he passed away recently at a cotton mill in Greenwood. Mr. Hitch was reared near Poplar Springs church, Laurens county, and was a splendid citizen. We sympathize with the bereaved family.

Mr. and Mrs. Joseph Oulla paid us a pleasant visit Sunday.

While in Ekam a few days ago we met Dr. Cooper, Judge Walker, Messrs Thos. Burts, Calvin Culbertson, Mr. and Mrs. Bud Boyd and several other friends.

We were sorry to see in yesterday's State that Hon. Pringle T. Youmans, of Columbia, was killed Saturday night by being run over by an automobile.

RUBE MILLER IS SOME CIRCUS CLOWN

He Makes His Hit by His Jokes With Crowd—See Him on April 3rd.

Rube Miller is the producing clown of the Kit Carson Buffalo Ranch Big Three-Ring Wild West Circus, which plays at Laurens, after noon and night Friday, April 3rd. Rube certainly has his troubles and his enjoyments, too.

When the parade comes along the streets at noon April 3rd you will see Rube seated on a little burro right behind the first band wagon.

This is where Rube has his happiness. He is a big, long, lang Yankee, and naturally the crowd always kids Rube for riding this little animal. But when it comes to joshing Rube is ace high at that. One of the recent towns which the show played had enough children in it to make Teddy Roosevelt think that race suicide had totally been extinguished. Every man on the line of parade was holding a baby. One great big fellow, with a baby in his arms, cracked at Rube when he saw him riding by: "Say, why don't you get off and carry the little mule?"

Rube shot right back, "I see that you are holding your own." The native replied, "Yes, but where is yours?" Rube said that he was sitting on his.

Just about that time the little burro commenced to bray and Rube immediately pulled out a nursing bottle and the burro, trained to the minute, quickly grasped the bottle and imbibed its contents. Then Rube shouted back at the resident, "Say, I bet that I am more thoughtful than you are. You forgot to bring your bottle, but I always carry mine." All Rube got from the spectators was silence.

NEWS FROM YOUNGS.

Youngs, March 23.—A light snow fell here Saturday night, but Sunday the clouds cleared away and the snow soon melted. This morning plows are running right along and farmers generally are busy.

Prof. W. B. Wilkie gathered his late Irish potato crop a few days ago. He says they are better for early planting than they would have been if taken up in the fall—that is they will sprout sooner now than when dry.

Mr. Wilkie is a North Carolinian who has lived in this section the last five years and seems to understand the potato business.

Messrs Eugene Cox and Tyra Manly of Clemson college, spent the weekend with home folks.

There was a singing at the home of Mr. Mills Cox Sunday night. Besides those of this community, Mr. Brooks Burdett and sister, Ha, of Lanford, were present.

Mrs. Robt. Stewart of Lanford visited her mother, Mrs. M. A. Abercrombie one day last week.

Mr. Austin Abercrombie is quite busy these days visiting different section and having the roads and bridges repaired.

The health of the neighborhood is good at present.

The Thornwell Orphanage.

This institution located in Clinton, S. C., is for the education of deserving orphan children and for none other, and only for those who are unable to pay their own expenses. It costs the Institution \$100 a year, to meet the expenses of a child, which sum is provided by the generous Christian public. The young people are not legally bound to the institution and are received as into any other school, the Orphanage not having any right to distribute them to families. They live in cottages of about 20 to the cottage, there being at present fifteen such cottages. The training is literary, technical, domestic and moral. No child is received under six years of age and as soon as received is at once entered into school, in which they continue for 14 grades, graduating at about 20 years of age. The course is a thorough one. In the mechanical departments, the training includes printing, carpentering, farming, machine work, steam laundry work, and all the domestic arts. There are now 300 pupils, requiring \$32,000 a year to meet expenses. It is wonderful how, by the goodness of God and good men and women, all this is provided. Over a thousand young people have been educated in this school and cared for in every particular. Rev. Dr. Wm. P. Jacobs is the President, and has been for 40 years. The raising of funds for the support of the home is in his hands. The school is always crowded, and vacancies occurring are quickly filled. Only deserving applicants are received.

Chronic Stomach Troubles Cured.
There is nothing more discouraging than a chronic disorder of the stomach. Is it not surprising that many suffer for years with such an ailment when a permanent cure is within their reach and may be had for a trifle? "About one year ago," says P. H. Beck, of Wakelee, Mich., "I bought a package of Chamberlain's Tablets, and since using them I have felt perfectly well. I had previously used any number of different medicines, but none of them were of any lasting benefit." For sale by all dealers.
